### I AM WOMAN By: Helen Reddy

I am woman, hear me roar in numbers too big to ignore  
And I know too much to go back an' pretend  
'Cause I've heard it all before  
And I've been down there on the floor  
No one's ever gonna keep me down again  
Oh yes, I am wise, but it's wisdom born of pain  
Yes, I've paid the price, but look how much I gained  
If I have to, I can do anything  
I am strong, I am invincible  
I am woman

Lois Bastien

## **LOIS BASTIEN'S STREAK HITS 40 YEARS; HAS LONGEST FEMALE STREAK IN WORLD**

**By: Lois Bastien**

**Questions by: Diane Washburne**

### **When did you start running and why?**

I started running because my husband Ron was running, and our daughter was in high school and wanted to make the cross-country team. It was great motivation for me to start running with her. I haven't stopped running since.

### **Who was an early inspiration or mentor?**

We would meet a group of runners on Sunday mornings and run together. A guy named Billy Carter would ask me if I had run every day that week. One day he said to me, "you have run every day for 100 days." A streak was born.

### **How much did you run per week in your peak years? Now?**

Ron always encouraged me to run. He would run 5 miles with me every morning. I used to run around 35-40 miles per week. Now I am down to about 21 miles a week.

Lois Bastien (#7741) in 1993

**What were some of your better/memorable running stories and/or races?**

I remember one 7-mile beach run where we would run down the beach to a 3.5-mile turnaround point and run back. After making the turn, a storm came up out of nowhere, with a lot of lightening. I think I broke a record getting back to the finishing line! I have enjoyed all 3 marathons that I ran and there were always a number of runners from our area who participated. We always got together before and after the race, which was a lot of fun to share our stories and such.

**What is your total lifetime miles?**

As of April 18, 2020, I have logged 53,089 miles!

**Are you a solo runner or social?**

I used to run with Ron and a group of runners on the weekend. After Ron had hip surgery, he was afraid to run, but he always walked. Now I run alone. When Ron became sick, my family made sure I ran. They said, "Ron would be mad at himself if he caused me to not run."

**How does running and fitness improve your life on a daily/weekly basis?**

I am very healthy and think that is why when I haven't felt good, I will just run a mile or so. Afterwards, I find I get to feeling better and continue to do my normal run.

**What injuries or other health issues have you faced through the years? How have you dealt with these?**

I've had a number of pulled hamstrings, which makes it hard to get going. Once I do, it eases up. My worst was my knee. My doctor thinks it's probably arthritis. I started taking Osteo Bi-Flex and my knee has stopped hurting. I've taken it ever since.

**How do you deal with the inevitable aging process?**

I really do not like to act my age! I think running has helped me stay physically fit and limber. I have belonged to 2 running clubs and find runners to be very nice people and great to be around.

**What tips do you have for other hopeful streak runners?**

I would advise anyone hoping to start a running streak to have a **set time each day to run**. I get up around 6am and go for my run. If I wait until later in the day, too many things come up. I used to **stretch before I ran**, now I am running that hard anymore.

**Happy Running Everyone!**

Lois Bastien (#784)

Craig Davidson

**CRAIG DAVIDSON'S STREAK  
ENDS AFTER 41+ Years (15,130 DAYS)  
By: Craig A. "Spike" Davidson**

It's over. Two simple but profound words.

On November 4, 1978, my wife Irene & myself drove to Brookings, South Dakota where I would be running the Longest Day Marathon the following day. Little did I realize that was to be a journey that lasted 41 years and 5 months (15,130 days). We got back to Fergus Falls, Minnesota that afternoon & of course I went for a run the next day and the next day and the next day.

All I just wanted to be was consistent with my running. My sister Karen was getting married in Arizona as I was approaching 100 days & we went down for the wedding. I thought that it would be an accomplishment to make it to triple digits. Once I reached 100 days, I continued to run every day. At that time, the only "streakers" were those who dared to run through the neighborhood or the local college campus unclothed.

As the days added up, I continued to run every day. As it got close to a year, I thought it would be fun if I could make it that far!

One thing led to another & fast forward, I celebrated 41 years on November 4, 2019.

Along the way, I had a number of minor setbacks including a broken knee cap, torn hamstrings, cracked ribs after a fall, torn hip flexor & torn piriformis, but I continued to press on.

In March of 2020 I started having some health issues & was always tired after my run with little energy to survive the day. Some days it was a struggle to even get a few miles in.

I ran the LA Marathon for the 35th consecutive year & was wiped out during the entire race, being reduced to a walk the last half of the race.

On April 8<sup>th</sup>, I was getting ready to go for a run & collapsed in the bedroom. Fortunately, my wife Irene was working from home & she called 911 & I was rushed to the hospital.

The next 4 days I was hooked up to machines & IV's trying to determine what I was dealing with. After a couple days I was diagnosed with C Diff, a bacterial infection.

Due to the Corona Virus outbreak, I was allowed no visitors with the exception of the Doctors & nurses. It gave me plenty of time to reflect on the realization that my running streak was over and how I would adjust to starting a new streak once I got out.

The "streak" was a big part of my life and now it was over. Being alone in the hospital, I was dealing with the emotional realization that what I had done for so many years was now gone. They say that grown men don't cry, but I shed many a tear alone in my bed for 4 days. The day after I got out of the hospital I started running again - this time being patient & cautious.

As I look back over the past 41 years, I was very fortunate to be blessed in my running career. From a 2:28:14 marathon to a 5:37:22 50-mile (the 4th fastest time in North America in 1986) to the 35 consecutive LA Marathons, it's been a journey I will never forget or regret.

I am very grateful that God has given me the opportunity as a means to inspire and encourage others as they begin their journey. I've always said that I always wanted to end the streak on my terms, but God had other plans.

So many people have been supportive of me during the streak. My wife Irene has seen the highs & lows of my running career & has stuck by my side the entire time.

The countless number of customers who purchased shoes at Runner's Den where I was able to encourage them as they started their journey of a single step have been a major part of my life. I would also like to give a huge shout out to Asics who have been providing me product since April 1984.

I was very blessed to be inducted into the Arizona Running Hall of Fame in November 2018 along with Bill Rodgers & Maria Trujillo. It coincided with my 40-year running streak. A highlight of the weekend was having Mark Jasper (a fellow stalker) come down to run the half marathon the day I ran the 10K with my grandson Jaden.

Another part of the "streak" that is perhaps more unbelievable is my "money finding streak" - that streak dates back to April 4, 1983. I have collected over \$10,170 over my running career. The biggest finds were three \$100 bills, as well as a \$50 gold coin!

I was very fortunate to become the "first streaker" to run 200,000 streak miles in February 2016.

I have been overwhelmed with the outpouring of support from the Streak Runners International Facebook page. It makes me feel proud & humbled that I have been able to inspire & encourage so many runners over the years.

Don't despair! I'll be back on the list on April 12 of 2021!

Craig Davidson with grandson Jaden Martin

Steve DeBoer

**Traversing the Tundra in Washington  
Through Streak Anniversaries and Pneumonia  
By: Steve DeBoer**

In retrospect, I probably should not have taken my vacation to the Seattle area in February, which included meeting and running with Jim Pearson, as well as attending his 50th anniversary celebration. I was feeling sick a few days prior to my flight, but I met with an MD, who thought it was minor and could be resolved with over-the-counter meds. I got some prescription cough medicine the day before I left and thought I was getting better for a few days.

I had a wonderful time with Jim Saturday afternoon, February 15th, joining him on his last run completing 50 years of daily runs, about 1.5 miles. I ran 6 miles the next morning before going to Mt. Terrace High School, where the celebration was held, starting with a 1.5 run on the track, where about 50 people joined him to either run or walk. We enjoyed salad, pizza and cookies before some speeches by son Joel, daughter Paige, and Jim. I was also honored to be asked to say a few words, which I did wearing my Streak Association t-shirt. My speech is printed following this article.

I also got the chance to meet and talk with fellow streak runners John Wallace III, Jay Kammerzell and Jim's kids, Hopper, Joel and Paige. Jim had written a book, "That Runner in the Lead," and with some help from Joel, got it updated and published in time for the celebration. I purchased a copy and got it autographed by Jim, Joel and Paige before I left.

The next two days involved visiting family and friends, but I came to realize I was NOT getting better. After having lunch with Ron Jackson on February 19th (retired 33-year streak runner who competed frequently against Jim Pearson in the Master's division), I decided to go to an Urgent Care Center, where an x-ray revealed pneumonia and fluid in both lungs. I was sent to the Everett Providence hospital emergency room and was admitted to the hospital with the additional diagnosis of influenza B. Other than the first few days after I was born, this has been my Only hospital stay, lasting 7 days, while they pumped me full of antibiotics and put a drain in my back to remove the fluid.

Thursday afternoon I decided to get up and try jogging around in my hospital room, praying to God that I could. I was not sure how long I would be able to go, but once I got started, I felt OK. Based on adding over 25% time to my slowest mile of 15 minutes after I broke my ankle in 2007, I kept jogging back and forth around my bed for 20 minutes to be certain I had gone at least 1 mile. I continued to do at least 20 minutes daily while hospitalized, doing it twice the last two days before my release. I did not tell anyone the first day. After that I told the staff I ran every day and had done it since being admitted. When I met the head Infectious Disease MD, Dr. Diaz, I was actually jogging when he came into my room. I told him I was doing a continuous mile and asked if I could keep going while we had our discussion. He said that was OK, so I answered his questions and he explained my situation and treatment while I "ran." As he was leaving, he told me I was the first hospital patient he had seen running in their room.

He was very surprised I could run, based on how sick I was, but he did not see any reason why I should not. He estimated I would need to remain in the hospital another 2 or 3 weeks. I, of course, wanted to get home sooner. By placing an IV in my neck, I was allowed to leave the hospital after 7 days and fly home on Leap Day.

Since getting home, it has been a gradual recovery, running slowly and getting short of breath when going up hills. After 52 qualifying marathons, I finally decided to register for the 2020 Boston Marathon. The question then became, will I recover in time to actually run the race. But the Corona Virus helped answer that question, as for the first time, Boston is being postponed until September.

What makes my illness so ironic is that Jim Pearson got pneumonia a few weeks before his 50th anniversary and wasn't sure the streak would continue, joking at the celebration he had feared Joel might be speaking at his eulogy instead. At least at this point, thanks be to God, the score for us is tied. Pneumonia - 2 Streaks continued - 2!

For those who purchase Jim Pearson's book, here is an update to the list he made of streak families who have accumulated at least 50 years daily running together, including active and retired streaks (as of March 15, 2020):

Jim, Joel, Don, Paige and Hopper Pearson -	89.09 years
John III, John IV and Mary Roemer -	83.55 years
John Jr, John III and Karen Wallace -	76.08 years
Steve, Dave and Wendell DeBoer; grandson Kevin Duban	72.06 years
Fred and Mercedes Murolo -	63.62 years
Gary, Veronica and Yeraj Rust -	60.94 years
Roger, Grant and John Nelson -	53.64 years
	(56 if count wife Jane's unregistered streak)
Timothy, Peter and Peter Eshelman Jr; Eilza & Kyle Miron	52.20 years

With the recent significant increase in registered streak runners, I thought it would be interesting to see how the numbers have changed in the last few years. Keep in mind, it was 2002 when it was decided by member vote that 1 mile should be the minimum mileage required of a daily runner. At that time there were 82 men and 4 women (4.7% of total) with registered active running streaks, as well as 14 retired streaks (all men). Male streak runners had been identified in 31 states but females had been found only in 3 states. In October 2012, Jared Ostroski was the first person to register a running streak in New Mexico (the last state to have a registered daily streak), at which time at least one man had been streaking in every state plus Washington, DC.

In the US, as of January 2013, there were 363 active streak runners, 58 (16%) were women. Another 243 retired streaks were listed. States that still had never had any daily female runners at that time were: AR, DE, ID, KS, ME, MO, MS, ND, NE, RI, SD and WV, meaning 38 states plus DC did have women who ran daily. As of March 31, 2018, we had 980 on the active list, with 315 being women (32%). If we restrict the list to those who began daily running January 2013 or later, the female number was 235 of 580 total, or 41%. As for states that had never had a woman stalker, the list had dropped to 3 - ME, ND & WV.

Now that the website has separate lists for men and women world-wide, let's look at how women have increased as a percentage of all active daily runners internationally. As of 4/5/20, 807 of 2125 with active streaks were women, or 38%. If we restrict the list to those who began running daily in April 2015 or later (653 of 1370), that percentage climbs to 47.7%. If only looking at those who began April 2018 or later, women account for 48.9%, so this is truly now an equal participation sport!

As of 4/5/20, besides 2125 currently running daily, there are 1089 retired streaks. Of those 3114 streaks (not 3114 individuals as some have run daily multiple times), 2057 or 66.1% are/were less than 5 years. There are 105 on the list (8 women) who have been running daily over 20 years, but with the development of on-line streak registration, the under 5-year crowd, predominates, especially on the retired list (73.9%).

In the US, we are now down to only 2 states that have never had a daily runner of the female gender – ND & WV. In the last two years, ME not only had their first registered woman, they have had 7, 6 of whom are still active! If we only look at the active daily runners, there are currently no males active in AK & MT and no females active in ND, VT & WV. Coincidentally, the two states with the least streak runners all-time are the two that have had no identified women doing it daily, ND and WV, with 5 each, though only four in each state has registered.

If anyone reading this knows any women who run daily in ND and WV, please encourage them to register!

Here is a list of the eleven states with the most total and active streak runners:

<b>TOTAL</b>	<b>Apr 2020</b>	<b>Apr 2018</b>	<b>Apr 2016</b>
MN	198 (81 women)	142 (51 women)	100 (28 women)
CA	190 (54 women)	126 (34 women)	100 (25 women)
TX	183 (66 women)	109 (31 women)	79 (18 women)
FL	148 (52 women)	85 (22 women)	62 (15 women)
PA	144 (51 women)	93 (27 women)	73 (18 women)
NY	139 (60 women)	80 (25 women)	58 (15 women)
VA	114 (34 women)	69 (17 women)	46 (11 women)
NJ	107 (36 women)	68 (27 women)	40 (17 women)
MI	104 (31 women)	had less than 55 in Apr 2018	
MA	103 (38 women)	67 (21 women)	46 (16 women)
IL	96 (35 women)	56 (20 women)	37 (12 women)

<b>ACTIVE</b>	<b>Apr 2020</b>	<b>Apr 2018</b>	<b>Apr 2016</b>
TX	119 (48 women)	63 (21 women)	46 (13 women)
MN	118 (55 women)	81 (36 women)	56 (17 women)
CA	117 (43 women)	69 (26 women)	57 (18 women)
FL	94 (32 women)	50 (14 women)	39 (11 women)
NY	88 (46 women)	44 (13 women)	36 (11 women)
PA	86 (39 women)	51 (21 women)	40 (13 women)
MI	75 (27 women).	had less than 35 in Apr 2018	
VA	71 (19 women)	42 (10 women)	31 (7 women)
IL	68 (24 women)	38 (14 women)	24 (9 women)
MA	65 (28 women)	42 (12 women)	28 (11 women)
NJ	64 (19 women)	36 (15 women)	21 (12 women)

MN retains the lead in all time streakers, but TX has surpassed MN and CA for leader among active registered streaks, being the first state to reach 120. However, ten days later, with a retired streak, TX went back to 119. And by Easter Sunday, April 12, 2020, MN had reached 199 total and 120 active (2nd to reach 120), with TX and CA at 118.

MN was the first state to reach 100,110,120,130, 140, 150, 160, 170, 180 & 190 total; first to reach 70, 80, 90, 100 & 110 active.

CA was the first state to reach 50, 60, 70, 80 and 90 totals; first to reach 40, 50 and 60 active.

Internationally, the only countries that have enough registered Active daily runners to match the Top Ten US States are Sweden (75), United Kingdom (73), and Canada (64).

Among total women, TX and NY have added 35 in the last two years, MN & FL have added 30. Among active women, NY has added 33, TX has added 27, and MN has added 19 in the last

two years. NJ ranks 11th for active streak runners, but CO (22) has more women currently running daily than NJ & VA.

There are now 6 states that have had at least 50 women streakers, up from one (MN) two years ago and 6 states with over 30 active women, also up from one (MN) two years ago. There are six states that have had more women than men running daily - AK (75%; 6 of 8); MT (67%; 8 of 12); ME (64%; 7 of 11); UT (56%; 9 of 16); DC (56%; 5 of 9); WY (53%; 8 of 15). When looking at states with over 50 identified streak runners, NY (43%), and MN (41%) have the highest percentage of women.

Of course, states vary in population from 583,000 in WY to 39.5 million in CA, using 2015 estimates. Making adjustment for that, those states with the highest number of streak runners per million population are shown below. Note that the highest population states (CA, TX, NY, FL) don't show up on these lists, but MN rates number One when adjusted for population as well:

<b>TOTAL</b>	<b>Apr 2020</b>	<b>Apr 2018</b>	<b>Apr 2016</b>
MN	36.07 (14.75 W)	25.87 (9.29 W)	18.22 (5.10 W)
WY	25.60 (13.65 W)	18.77 (8.53 W)	8.80 (6.82 W)
NH	18.03 (6.76 W)	9.77 (3.01 W)	5.26 (2.25 W)
MA	15.16 (5.59 W)	9.86 (3.09 W)	6.77 (2.34 W)
OR	14.64 (5.96 W)	9.68 (3.23 W)	7.45 (3.23 W)
CO	14.11 (5.31 W)	8.25 (2.57 W)	5.68 (1.74 W)
VA	13.60 (4.05 W)	8.23 (2.03 W)	5.49 (1.31 W)
DC	13.39 (7.44 W)	less than 7 per million residents in 2018	
MD	12.82 (4.50 W)	7.83 (2.33 W)	6.49 (1.83 W)
WI	12.48 (3.81 W)	7.62 (2.08 W)	4.68 (0.87 W)
IA	12.48 (4.16 W)	less than 7 per million residents in 2018	

<b>ACTIVE</b>	<b>Apr 2020</b>	<b>Apr 2018</b>	<b>Apr 2016</b>
MN	21.49 (10.02 W)	14.75 (6.56 W)	10.20 (3.10 W)
WY	13.65 (6.83 W)	8.53 (3.41W)	3.41 (3.41 W)
NH	12.77 (6.01 W)	5.26 (2.26 W)	2.25 (1.50 W)
MA	9.57 (4.12 W)	6.18 (1.77 W)	4.12 (1.61 W)
IA	8.96 (1.92 W)	less than 4.3 per million in 2018	
DC	8.93 (2.98 W)	less than 4.3 per million in 2018	
CO	8.80 (2.93 W)	4.40 (1.47 W)	3.67 (1.10 W)
VA	8.47 (2.27 W)	5.01 (1.19 W)	3.70 (0.84 W)
WI	8.32 (2.77 W)	4.85 (1.73W)	2.60 (0.52 W)
MD	8.16 (3.50 W)	less than 4.3 per million in 2018	
MI	7.56 (2.72 W)	less than 4.3 per million in 2018	

States that dropped out of the top 11 total from two years ago were VT and PA. When only counting those currently with active streaks, VT, NM, OR and IN fell out of the top 11. VT had the biggest drop, having been in 3rd place 2 years ago.

For total women in 2020, AK's rate of 8.13 (6 women) is in 3rd place, MT's rate of 7.74 (8 women) is 4th, and ME's rate of 5.27 (7 women) is 9th. For active women in 2020, ME is 4th (4.51 with 6 women), AK is 6th (4.07 with 3 women), and MT is 7th (3.87 with 4 women). Interesting that AK and MT have no active men, while ME has only 1 active man.

OTHER STATS ON Female Streakers (International) - in the last ten years, the percentage of women who are running daily after age 60 has gone from 1.25% (5 of 40) in 2010 to 4.93% (33 of 670) in July 2019 to 6.05% (49 of 810) in April 2020. Back in March 2010, 32.02% of male streakers were 60 or older (65 of 203), whereas 16.93% are in that age group in April 2020 (226 of 1335). I suspect this is due to the large influx of registered streaks recently that are less than 5 years.

As you have read elsewhere, Lois Bastien is oldest at age 83, only woman over 80 to do the daily run. Currently the youngest is Sierra Stempke of CA at age 7, so there is a 76-year span among female streak runners. The span is 71 years for males from Ward Crutcher (80) down to Jackson Stempke (9) of CA.

Many road races have been cancelled since early March and no doubt there will be more in the next few months. Fortunately, solo running is a great way to stay fit and keep socially distant. Reminds me of the book, "The Loneliness of the Long Distance Runner," though now with modern technology, we can keep connected with others even while running alone. Stay healthy, everyone!

### **My Comments at Jim Pearson's 50th Anniversary run and Celebration**

The first time I heard of Jim Pearson was in an article about people who ran every day in *Runner's World*. At the time I had been running daily for over 15 years and had wondered how many other "crazies" were out there. Over the years, I would see things in *RW* and save them. The July 1995 *RW* had a bit about Jim, stating, "The last time Jim Pearson missed a day of running Richard Nixon was in the White House and Marcus Welby, MD, was America's most popular TV show. Since that day more than 25 years ago (Feb 15, 1970), the 51-year-old English teacher from Ferndale, WA, has logged over 125,000 miles, averaging 13 miles a day."

A couple years later, I heard about George Hancock from Windber, PA, who in December 1994 had published a list of 51 people who had been running every day for more than one year. Jim and I were not on that list but we both contacted George and were added to his list in 1998.

At the end of 2000, John Strumsky of MD, worked with George and others to found the United States Running Streak Association, Inc. A survey was sent out to the streak runners to discuss if there should be a minimum mileage requirement. The large majority voted for one mile and that was then approved, leading to some runners not registering their streak.

I have here the Fall 2002 newsletter, which lists 90 individuals who had done at least the 1 mile minimum for over 365 days, including 5 women. There were 8 of us who had run daily at least 30 years. Bob Ray led the list, at 35 years, Jim was 4th, and I was 6th. John Strumsky interviewed Jim in that issue, calling the article, "An Old Road Warrior Travels On." During that interview, Jim mentioned how son Joel was so impressed with Jim's trophies and that he had not missed a day of running for almost 25 years that he told his brother, Hopper, "I'm running with him," at the age of 9. Jim was not excited about the idea, but Joel was there every day when he got home, starting with 1 and then 2 miles daily. I'll leave the article out for you to look at - Joel was listed #78 of the 90 at that time, the first under age 10.

The Spring 2009 newsletter has an article by Jim, "I Lived Through Another Year," which includes a picture of him with Ken Young, of CA, who was one place behind Jim on the streak list at the time. Besides Jim and Joel, daughter Paige had a running streak, as did his brother Don, and son Hopper - Hopper for almost 8 years. The Pearsons were the first family to have 5 members on the streak lists (active or retired). Since then, the only family with more now is the Thorsons of Fergus Falls, MN, with 7.

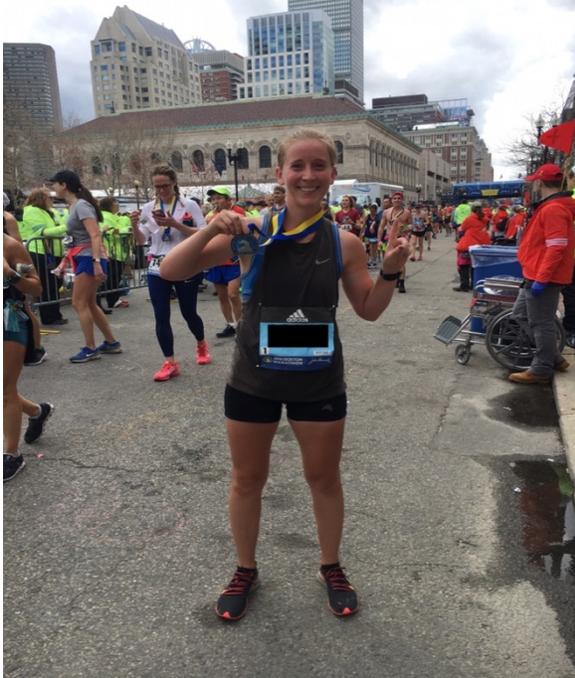

Returning to that article, Jim details 2 events that nearly ended his streak, one a knee injury in November 2007, the other, in October 2008, when he was hospitalized for shortness of breath. That second time, Hopper and Joel measured out a course in an unused wing of the hospital and got him out of bed to complete one mile when the nurse was away.

Bob Ray quit running daily in 2005, Ken Young in 2011, and Mark Covert in 2013, putting Jim in second place, behind Jon Sutherland of CA, who reached 50 years in May 2019. With the end of Ron Hill's 52-year string of daily runs in 2017, that gives Jim the 2nd longest streak in the world of over 2000 currently registered with the Streak Association.

Jim, I give you my sincerest congratulations on this amazing accomplishment, spanning half a century, with best wishes for the future, one day at a time!

Steve DeBoer (3<sup>rd</sup> longest streak) remains a step and 476 days behind Jim Pearson (2<sup>nd</sup> longest streak).

Michelle Fox after Boston Marathon

### **MICHELLE FOX JOINS USRSA**

I fell in love with running in 2014, pinned my first bib at the LA Marathon in 2015, and 15 marathons later, I'm closing in on a 3-year streak. I didn't have a particular goal in mind when I started and have battled through a few colds and long travel days but now that I've proven I can push through tough runs I'm more determined than ever to keep it going!

Michelle Fox  
Studio City, California

### **OLIVIA MEDINA'S STREAK ENDS AFTER 2,248 DAYS**

It is with regret that today [25 February 2020] I must end my running streak of 6.14 years. A medical problem has posed a serious threat to my health. I have stopped my streak by my cardiologist's orders.

Olivia Medina  
High Springs, Florida

### **JIMMY WILSON'S STREAK ENDS AFTER 2,214 DAYS**

So sad that the flu caused me to retire running streak of 6 years. Averaged 2.61 miles during streak. Started 2nd streak on 1/1/2020 & will register again in 1 year. Family/friends said 1 ultra, 3 full marathons & 2.61 average should cover flu days, but I couldn't do that in good faith!

Jimmy Wilson  
Florence, South Carolina

### **JEFF GOULD'S STREAK HITS A DECADE**

Indeed, the streak is still alive. The work schedule has been dicey lately, by far the biggest threat to my streak. With the weather we expected locally today [27 February 2020], I went out for my run in the rain at 4:30am, just to be safe. The streak continues.

Ten years, 3652 days, 34401 miles.

Jeff Gould  
Gardner, Massachusetts

### **CHRISTOPHER BIELINSKI'S STREAK HITS 8 YEARS**

My run streak continues, I passed 3,000 days last week [email dated 26 February 2020] with a 5.3-mile daily average. Last year I completed my goal of running a marathon on all seven continents by running the Patagonia Marathon.

I have 3 marathons and a triathlon on the calendar for this year and have had lots of good training runs so far this year.

Christopher Bielinski  
Littleton, Colorado

Andrew Parker

## ANDREW PARKER'S STREAK HITS 3 YEARS

Friday [28 February 2020] came and went, two years of running every day. It has flown by in a flash. It hasn't been the easiest 2 years, but I have done it. With help from my wife, her understanding and easy-going nature have allowed me to finagle runs in whenever and wherever we go.

I didn't start out as a runner though. I am a 35-year-old male, who played organized sports in high school and recreation sports in college. But college was a bit of a crapshoot with eating well, being active, or just being a healthy human being. When it came to me, the saying freshman 15 was pretty accurate. As well as the sophomore 15, junior 15 and so on. I remember at one point seeing 240 lbs. on the scale. I was in shock.

I am 5'8" so the weight did not spread out nicely, nor was it a muscular 240 lbs. That summer before my senior year, I spent it at home with family. My family could tell I was depressed and frustrated with myself. There was a night I was getting ready to go out, I put on the same black shirt I always wore and I started crying in front of my mother. I cried

because I had no other clothes that I felt comfortable enough to wear.

My mother decided at that moment she would pay for me to have Nutri-system for the summer. I'm not going to lie, I gave Nutri-system about 90% of my effort, but I lost 20 lbs before returning to college for my last year. I felt great about myself and was on a new path. I knew how to portion control my meals and what meals or foods were better to eat than others.

I graduated about the same weight, just basically maintaining the 20 lbs. weight loss. Once I returned home, I was driven to run the Broad Street Run in Philadelphia. It is a 10-mile run that goes from North Philadelphia down Broad Street to where the Naval Yard resides, seeing a lot of the iconic sites in Philadelphia.

After that, I was hooked. Running was my new obsession, but going from not running at all, to running 10 miles, my legs were destroyed, so I started my healthy journey on the elliptical. This was 2009 when my whole life changed.

After about a month on the elliptical watching TV shows like, *The Biggest Loser* and tearing up at all the emotional achievements of others, I was bound to complete my own emotional achievement. I transitioned to jogging on the treadmill, slow at first, but increasing the speed and duration after a few weeks at a certain level. This is where I became a runner.

Fast forward to February 2018, I have run the Broad Street Run 8 years total while running occasionally. My wife and I were preparing to train for my 9th Broad Street Run. She saw somewhere that a way to keep yourself in check, as well as motivate yourself for training, there was a March Run Challenge. This challenge consisted of running at least a mile a day for the duration of March and post about it on Instagram. We both agreed to do the challenge, and not to spoil it, but we completed the challenge. Hooray!!! But

towards the end of the challenge, I had this little thought in my head, "What if I kept going? How many days could I do? When would it end?" I was hooked again. I made it to 50 days straight and said to myself and of course my wife: "What if I did a year?" She told me to go for it. Little did she know I would be sitting on 2 years now.

At 2 years I have learned a lot about myself. I have learned that there are actually people who do this and a website that keeps track of everyone worldwide, which is fantastic motivation. I have spent a lot of time with myself mentally and emotionally. Now, having run 731 days and a total of 3,249 miles, averaging 4.44 miles a day, in the North East of America, I have been in every weather condition. I have run in snow, sleet, rain, extreme heat. I have run on the treadmill on a cruise ship, a few miles on the beach, trails, dirt roads, and every situation you can think of. I always have to think ahead, set time aside, and remember to pack my running gear everywhere I go. The closest I came to not finishing a day's run was when I worked until 11 pm, clocked out of work late due to being busy, and I finished my run at 11:58 pm.

The moral of my story is simple. It is the age-old saying, "If you put your mind to it, you can achieve anything." It wasn't easy, but it was something I felt was important for me to do, so I did it. Again, I am 35 years old, I am a healthy individual who likes to indulge sometimes, am fortunate enough to not have to take medication for anything, and am no longer 240 lbs. I currently weigh 170 lbs., and yes, still am 5'8", but I am in a much better place in my life. I have maintained my weight for the past 10 years with the lifestyle changes I made. That is all this comes down to: make lifestyle changes, and your life will change. Good luck to everyone out there along your journey. We are only blessed with one life to live, so make it the best you can.

Andrew Parker  
Philadelphia, Pennsylvania

From left: Ryan Minert, James Mussman, Brock Minert, John Krajewski, Joeth Zucco and Tedde Tagge.

## **JOHN KRAJEWSKI'S STREAK HITS 3 YEARS**

I just completed my third year of streaking. Among my accomplishments was a great comma day run with a few friends (picture), running in three new airports (Tokyo Narita, London Heathrow and Barcelona), three new countries (Taiwan, Ireland and Spain) and finishing the second marathon of my streak (Indianapolis Monumental). Not sure how long I will keep streaking as I am developing arthritis in my left knee thanks to a high school injury, but I have enjoyed the camaraderie of this group over the last couple of years.

John Krajewski  
Lincoln, Nebraska

## **KRISTYN BROZOWSKI'S STREAK HITS 3 YEARS**

Just hit my 3-year anniversary! Yay! I'm also on my 2nd year of coaching girls high school track at RCS high school. These girls keep me going! Here's to many more running days!

Kristyn Brozowski  
Selkirk, New York

## **DAVID HACEK'S STREAK ENDS AFTER 1,641 DAYS**

It was with great sadness that on my last run of my streak run was on 3-4-20. During nearly 4.5-years streak I ran 9,315 streak miles. End the streak due to strain of my left Internal Obliques muscle, causing me pain in my left hip. After 1,641 days I choose to retire my run streak. I will be back!

David Hacek  
Albany, Oregon

## **ANN DAVENPORT'S STREAK HITS 7 YEARS**

March 1st marked the 7-year anniversary of my running streak. In many ways I can't believe that what started as a "well, I guess I'll see where this goes" is still going strong! I'm grateful to be able to get out the door every day, have some great friends to cover the miles with (several of whom have their own running streaks), and have the support of my team, Northstar Running. Cheers to year 7 & I look forward to what year 8 brings me!

Ann Davenport  
Minneapolis, Minnesota

## **JASON TREGLER'S STREAK ENDS AFTER 376 DAYS**

Started my streak the day before my 46th birthday wanting to run every day of my 46th year. Extended a few days to hit 1700 miles during my streak. Last run of 4.3 on 3/2 ended my total with 1704 in 376 days.

Jason Tregler  
Tampa, Florida

## **EVA SAGAN'S STREAK HITS 5 YEARS**

I am happy to report that my streak is now five years old, as of March 12, 2020. I am also thrilled to have graduated to the Proficient Group and will continue the streak in order to get to the next group!

Despite facing challenges such as unpredictable Indiana weather, one brief illness, and wanting to stay in bed versus getting up to run in the dark, the streak remains intact and I intend to continue it for as long as I can. Good luck to all of my fellow streakers on continuing their journeys!

Eva Sagan  
Fort Wayne, Indiana

## **CLAES SAHLSTROM'S STREAK ENDS AFTER 1095 DAYS**

My goal for my runstreak was to run 1000 days in a row and keep an average of 10km per day and I figured that 1095 days was enough. Now I just run very often, but not every day :-)

Claes Sahlstrom  
Stockholm, Sweden

## **BRENT BURMASTER'S STREAK HITS 27 YEARS**

My son will be joining me in 2.5 months when he will have 1 year of continuous running.

Keep on running!!!

Brent Burmaster  
Dallas, Texas

Bill and Steve Leibfritz

## **STEVE LEIBFRITZ'S STREAK HITS 4 YEARS**

My father, Bill Leibfritz, has an active streak of 38 years as of this past December. I turned 38 years old this past December. The last day he didn't get in a run, was the day I was born. So even though 4 years is significant and to be celebrated, it pales in comparison to my streaking inspiration!

I've also been a high school assistant track coach for 11 years and counting. It's rewarding passing down a love for running to future generations. Steak on!!

Steve Leibfritz  
Midland, Michigan

## **MATT WEBER'S STREAK HITS 3 YEARS**

On March 9, I reached 3 years for my current (and longest) streak, for a total of 4,760 streak miles. 60 days after I started this streak, I started running a minimum of 2 miles a day, and that streak is still going too. I've had some injuries to work through, but none bad enough to stop me from getting at least 2 miles in.

The thing that ended my last streak was damage to an inner ear nerve that gave me horrible vertigo and knocked me out of running for a week. Thinking back to the start of this streak makes me appreciate recovering from that and appreciate being able to get out and run every day.

I know several people who can't run for various reasons and on my difficult days, I run for them. As I write this, things are shutting down to try to control the spread of Coronavirus, and living in a rural area, I appreciate being able to get out and run every day in the fresh air and clear my head.

Matt Weber  
Hartland, Michigan

## **PAUL WICHMANN'S STREAK HITS 13 YEARS**

The Streak is alive and well!

Paul Wichmann  
Minneapolis, Minnesota

## **MICHAEL RIBAUDO'S STREAK ENDS AFTER 1,002 DAYS**

I hit 1,000 days of running and felt that it was the perfect time to start a new chapter.

Michael Ribaudo  
Phoenix, Arizona

## **DEWAYNE KEY'S STREAK HITS 7 YEARS**

The streak lives! Running low to mid 20's per week avg. Racing an occasional short run. I haven't marathoned since March of 2017 in Columbia, SC.

DeWayne Key  
Moulton, Alabama

Justin Simonitsch

**JUSTIN SIMONITSCH'S  
STREAK ENDS  
AFTER 1,140 DAYS;  
HIT BY TRUCK**

So, my streak ended at 11:40 on Feb 6th. I was coming towards the end of my run while crossing a neighborhood entrance and was hit by a truck.

Luckily, I wasn't terribly injured. A few stitches in my forehead, two missing teeth, two chipped teeth, and two minor brain bleeds. I spent a few days in the ICU but I've been home and hoping to get back to running soon. I'm thankful that I still can run all things considered.

Justin Simonitsch  
Virginia Beach, Virginia

**PETER ELLERKAMP'S STREAK  
ENDS AFTER 1,480 DAYS;  
MOTORCYCLE ACCIDENT**

It is with great sadness that I have to report the end of my streak.

I was involved in a motorcycle accident on March 2 and broke six ribs, my collarbone, and fractured my skull. I had four plates and 40 screws put in over two surgeries, so I only missed 17 days before starting a new streak.

See you in a year to report a new streak!

Peter Ellerkamp  
Groton, Massachusetts

**ANNE HYOPPONEN'S STREAK  
ENDS AFTER 519 DAYS**

I was pregnant and had extremely painful piriformis issues, causing sciatica. I was able to run off and on until baby was born in December, but as of now (March) I am still having pelvic pain and haven't run since my son was born.

I'm in therapy, so hopefully my run day is SOON!

Anne Hyopponen  
Duluth, Minnesota

**KARL DAVENPORT'S STREAK  
ENDS AFTER 2,270 DAYS**

I developed a severe pain in my right foot, and have been running through it. However, it is not getting better. I went to my orthopedist, and after an MRI diagnosed a nasty looking stress fracture in the 4th metatarsal.

Karl Davenport  
Loveland, Ohio

## **DAVID GILLESPIE'S STREAK HITS 5 YEARS**

Today [28 March 2020] is the 5-year anniversary of my running streak. I can't believe it's been 5 years since I started the streak on March 28th, 2015. I first learned about streak running after reading an article in the *Wall Street Journal*, which was originally published December 30, 2014. I was interested about streaking because of the daily discipline required to keep it going, no matter what.

Fitness has always been a big part of my life - I played soccer in high school and studied martial arts for a while. After college, I kept up on the running as well, and ran a number of half and full marathons, from 2011 until 2014. My best marathon time was 3:45, so I was in ok shape by my standards. But by 2015, I had put on quite a bit of weight, and weighed 235 lbs. My normal, healthy weight is 190 lbs (I'm 6'3"). I had always been in shape, but during the last year I had allowed my job (I work in finance) and the long hours to take over everything and I wasn't exercising. Just looking in the mirror at myself, I realized I needed to do something.

After reading that article, I was determined to start running again. I had several attempts that fell short after a week, or 10 days, and the longest was 14 days. But for some reason, March 28th, 2015 stuck. Ever since then, I have run a minimum of 2 miles every day. At first, I was doing the daily runs in the evening, after work. However, after about a year and a half, I switched to morning runs. Now, if I don't get up and going running first thing (usually around 5:00 AM), I have a worry in the back of my mind until I get the run done.

My weight decreased rapidly during the first year, and is now 193 lbs. I also started CrossFit 2 years ago as well, and now go almost every weekday morning, after my morning run. My streak has survived several injuries (sprained ankles, falls - fell on my

keys once) and the flu. I credit the streak with helping me get my weight under control, and for being my daily stress reliever. And I know no matter what, I have the morning run waiting for me each day.

David Gillespie  
Stamford, Connecticut

## **MICHAEL DEMINT'S STREAK ENDS AFTER 7,891 DAYS**

I am sorry to have to inform you that my running streak ended abruptly on February 4, 2020.

On February 3 my left leg began throbbing while doing my run and I had to stop at one mile. I suspected a blood clot in my left knee. Ultrasound confirmed that I had blood clots in the artery. I was immediately given a ct-scan and it was discovered that I had an aneurism in both the arteries that supply my legs and lower body. I had surgery to bypass both aneurisms.

Coming out of surgery I recognized that my left leg was going into "compartmental syndrome." I immediately notified the doctor. Compartmental syndrome was verified and they rushed me back into surgery to slit open both of my lower leg compartments to allow room for the swelling.

After two weeks I was sent into surgery try to close my leg. The swelling was still too great so a plastic surgeon was contacted and my leg was closed by the plastic surgeon. Five days after the surgery the plastic surgeon inspected the graft and declared it 100% adhered. I began physical therapy which they said would take a minimum of 14 days before I could go home. Seven days later I was sent home. I am now up to one mile/day walking with the assist of a walker or cane and 1/4 mile/day with no assistance.

Michael DeMint  
Gregory, Michigan

## **PAUL ANDERSON'S STREAK HITS 25 YEARS**

25 years and counting! Some fast miles, many slow ones. Some hard and all of them great! I don't keep a log anymore and I don't really keep track of my mileage. I just know that every day I'm going to get up and include a run in my day, almost always on the trails. I'm currently getting ready to run the Marquette 50 Miler so I'm getting in some quality time on the trails. I hope that it happens and we can all celebrate getting together again. Happy trails to all!!

Paul Anderson  
Interlochen, Michigan

## **SUSANNE STRACHOTA'S STREAK ENDS AFTER 2,052 DAYS**

I had a baby. :)

Susanne Strachota  
Athens, Ohio

## **MIKE SCHWEGMAN'S STREAK ENDS AFTER 612 DAYS**

I couldn't run anymore due to my back being injured.

Mike Schwegman  
Chandler, Arizona

## **LEAH BROWN'S STREAK ENDS AFTER 940 DAYS**

My streak ended due to illness. I physically couldn't get out of bed, much less run.

Leah Brown  
Portland, Oregon

## **FRANK CLARKE'S STREAK ENDS AFTER 15,484 DAYS; HAS LONGEST STREAK IN SOUTHERN HEMPSHIRE**

I would like my last day of running still to be 31st December 2019. Since January I have predominantly walked and with the Coronavirus pandemic we have been in complete lockdown so all can do is walk up and down the driveway to keep fit.

I would like to take this opportunity to thank you for the input and again for the Streak Runner of the year for 2017 having completed 40 year's consecutive day's running. May the club go from strength to strength. Best regards to you all.

Frank Clarke.  
Kloof, South Africa

## **BILL MIDDLEBROOK'S STREAK HITS A DECADE**

Today, March 31, 2020, I am celebrating the 10th Anniversary of running at least one mile every day. This running streak began on March 31, 2010 and I have run at least one mile every day since then. This morning I ran 4.4 miles here in Colorado Springs with the beautiful snow-covered Pikes Peak in clear view.

The incentive to run every day has come from the great national organization, US Running Streak Association. The total miles that I have run during this 10-year period add up to 8,355 and the total days add up to 3,651. I am so thankful for the motivation that this running organization has provided for me and I am so grateful to my Lord for giving this 77-year old man the health to run every day. Thank you so very much.

Bill Middlebrook  
Colorado Springs, Colorado

Matt Bloesch

### **MATT BLOESCH'S STREAK HITS 2 YEARS**

Today marks two years of streaking. I was a holiday season run stalker beginning in 2014. It helped keep my clothes from shrinking too much. January 1, 2018, I decided to keep it going since the daily runs were a nice break in my stressful days, and the streak kept me motivated. I pulled a hamstring 4/1/18, but was motivated to heal and start again. 4/8/18 I started up again, and here I am, two years later.

The defining runs on this streak were the short "streak keepers" of a mile that were squeezed in on 18-hour work days, grinder out in driving rain, or done in casual shoes in an airport parking garage. A streak is a streak, and you either run a mile or you don't.

Since this started, I have streaked through wildfires, floods, earthquakes, and now a global pandemic. I am a front-line emergency services worker, so the runs during those crises were my calm in the storm. They literally kept me sane and able to focus.

I am quite proud to be a part of this streaking community! Thanks.

Matt Bloesch  
Vacaville, California

### **RON SHEALY'S STREAK HITS 19 YEARS**

My lifetime miles reached 88K during the 19th year of my running streak. More than 36,600 miles have been run during this ongoing streak.

The 1947 miles run during my 19th year helped my daily streak average remain at about 5 and 1/4 miles.

A sore back kept me from properly training for my annual half marathon, but I managed a 2:02, nine minutes slower than last year, yet still good enough for second in the 70-74 age group.

Thank you for the congratulatory email. Every best wish to streak runners worldwide.

Ron Shealy  
Lexington, South Carolina

### **KENDRA BEALMEAR'S STREAK ENDS AFTER 1,819 DAYS**

I regretfully inform you that my almost five-year running streak came to an end on April 1, 2020 (and that's no April Fool's joke! Ha!). So close to five years, darn!

I fell about 1.25 miles into my early morning run and broke my leg. I suppose I made it 62 years before breaking any bones so that is something to be happy about.

Hopefully at the end of the summer I will be able to run again and hope to be able to start my fourth running streak late this year or maybe 1/1/21. Only time will tell.

Keep on truckin....

Kendra Bealmear a/k/a KCFlash  
Kansas City, Missouri

## **JUNICHIRO KONO'S STREAK ENDS AFTER 1,061 DAYS**

Unfortunately, my streak running ended on March 1, 2020. I was diagnosed with shingles earlier in that week, and I was miserable. There was an extremely painful rash with blisters on the left side of my face, and I could not get out of bed for two full days. In fact, some pain still persists, and I am under medication.

It was really fun running every day for nearly 4 years! I am very proud of my accomplishment. I will let you know if I decide to restart it in the future.

Junichiro Kono  
Houston, Texas

## **MIKE FRIEDL'S SECOND STREAK HITS 1,000 DAYS**

Last Thursday [2 April 2020] I earned my second comma and it got me thinking. How many streak runners have two or more >1,000-day streaks separated by a single missed day. With the help of your combined list and my own combined list from 2017, I counted six, which makes me #7. They are:

William Moreland – 1/15/1982 to present, missing 2/12/2009 = 9,890+4,062

Doug Holland – 8/1/83 to present, missing 8/2/2010 = 9,863+3,526

Steve Morrow – 8/10/1981 to 1/13/14, missing 5/12/10 = 10,502+1,342

Bob Hensley – 11/6/1969 to 6/2/94, missing 12/1/74 = 1,851+7,123

Eileen Rountree – 4/18/83 to 8/4/2000, missing 6/16/1986 = 1,520+5,163

Sherry Case – 2/5/1986 to 12/22/1999, missing 5/29/1995 = 3,400+1,668

Michael Friedl – 5/18/2013 to present, missing 7/7/2017 = 1,511+1,003

My missed day has stuck in my craw all this time, but completing this exercise really puts into perspective that it's really a small matter.

Of course I wish I had planned ahead, but missing that day doesn't change my view of my own running career, nor does that one day impact my overall training and racing. Seeing Steve Morrow, for example, miss one day after nearly 30 years and continue right on is humbling. Makes my missed day seem pretty trivial indeed.

Mike Friedl  
Laguna Hills, California

## **KIRK WILBUR'S STREAK HITS 6 YEARS**

My typical "runiversary" celebration involves a gathering of friends meeting me at a bar as I end my run, and celebrating the streak anniversary over beers and ice cream cake. This year I still had the beer and ice cream cake, but with bars closed due to COVID-19, the celebration at home was a little more muted than usual.

Not much news of note has come with the streak over the past year. I think I did a couple of unremarkable half-marathons, but that was it for races. I've run a minimum of 5k each day in the past year, but not many milestones. Still, it's nice to get out daily.

As with everyone else, I'm adjusting to the 'new normal' as I continue the streak, but, as always, it remains an excellent excuse to get out each day.

Kirk Wilbur  
Sacramento, California

## **DAN ERTMAN'S STREAK HITS 3 YEARS**

This was the third year of my running streak, so this year I did 5 miles a day (previously 3 and then 4). With everything happening right now, I've decided to stay at 5 for 2020/2021.

Dan Ertman  
Libertyville, Illinois

4 Years #RunEveryday

Valerie Moore

## VALERIE MOORE'S STREAK HITS 4 YEARS

Year #4 of Running Every day since 4.14.2016 is Complete :)

Running Highlights from this past Streak Year include:

- PB Marathon at Big Sur
- Falling in Love with the Trails
- Running the Xterra Trail World Championship 21k in Oahu
- Finishing My First Ultra (50k) with Aravaipa Running in Arizona

10 Races, 3 New States, and 2,072 Miles...Looking forward to all that Year #5 holds! Keep running one mile at a time!

Valerie Moore  
Tewksbury, Massachusetts

## KARL OLSON'S STREAK HITS 18 YEARS

My streak is continuing during the pandemic. I've been doing "Karl's Run" in Golden Gate Park, trying to observe social distancing as I pass Stow Lake and JFK Drive. Am hoping to stay healthy and stay running, and hope other streak runners do too!

Karl Olson  
San Francisco, California

## DAVE JENNINGS'S STREAK HITS 3 YEARS

Just wanted to let you know that my run streak is still going strong. At three years my total streak miles were 2,179. For my third year I ran at least 1.75 miles per day and my goal is to do at least two miles per day for year four. I got married last year and my most memorable runs were definitely the ones on the beach in the Turks and Caicos, on our honeymoon. Look forward to updating you after year four.

Dave Jennings  
Wilmington, Delaware

## CHRIS GRAHAM'S STREAK HITS 31 YEARS

I completed a 2-mile run this morning to wrap up 4/16/2019 - 4/15/2020 with a minimum 2 mile run each day. This year I ran 50K in a 6-hour trail race and started, but unfortunately did not complete, the Laurel Highlands Ultra. I got through 39 miles and including a uninterrupted 2+ miles in the course of the race. I emerged from training and the race unscathed (save for some lost toenails) and the streak was never in jeopardy.

Chris Graham  
Wilton, Connecticut

Bobby Razzaq

## **BOBBY RAZZAQ'S STREAK HITS 3 YEARS**

I didn't realize it's been 3 years already. I'm glad I've kept up with it.

I've had a lot of people including family and friends that give me a hard time because I run outside whatever the weather and come back drenched from sleet ice - even in a snow storm. I also run very late; right before midnight.

I feel it's stops me from over eating. I am watching my greasy food intake because it makes it harder to run.

Anyway, I'm glad I'm running. I hope to start marathons once the travel ban is lift for the coronavirus.

Happy streaking everybody. :-)

Bobby Razzaq  
Rolling Meadows, Illinois

## **REBECKA WHITMARSH- WILSON'S STREAK HITS 2 YEARS**

Today [15 April 2020] completes two years of my running streak and I plan to get up and keep going tomorrow!

I started the running streak to battle depression associated with a miscarriage. I set a goal of 30 days for myself because I had been unable to commit to anything for any length of time.

At the start of day 7, I wasn't sure I'd even finish the first week. But, I talked myself into going for a run and at least getting a 7-day streak.

Day 8, I got up and kept on going.

Day 30 was a huge accomplishment and I felt like a different person.

Day 365 was celebrated with friends and family.

I planned on having another celebration this year. Little did I know how much things would change in the space of that year.

I'm doing solo runs now and getting outside to get them done is a little scarier each day. However, I'm not ready to stop. So, I'm going to keep running and keep the hope and positivity I found by completing those first 30 days.

I encourage everyone to just go for it. Run through the rain, the heat, the snow, the wind. Run when you don't want to and run a little farther when you do. It can change your life.

Rebecka Whitmarsh-Wilson  
Leander, Texas

## **FRANCIS GARROW'S STREAK HITS 15 YEARS**

I retired from the Federal Railroad Administration on December 31, 2019 after 47 years in the Railroad Industry.

I spent January, February, and March in Florida. The trip home to Vermont was interesting. The fitness rooms were closed so I ran outside in South Carolina and Maryland. Wore a mask and kept the streak alive.

It feels great to be running in my hometown where it's easy to keep my social distancing.

Take care. Run every day!

Francis Garrow  
Proctor, Vermont

## **MICHAEL MANNINGS' STREAK HITS 3 YEARS**

My 3rd year of my streak has not been the best in terms of performance, but with a change in job, the birth of my 4th daughter and now the ongoing issues with Covid-19, I'm proud to have kept my streak up for another year!

Whilst the next year will be tough with ongoing social distancing, I hope running will continue to provide my daily release!

Michael Mannings  
Oldham, England, U.K.

## **ROSA ESHOO'S STREAK ENDS AFTER 1,613 DAYS**

My streak ended due to an Achilles injury.

Rosa Eshoo  
DuPont, Washington

## **LAURA JACK SENDS UPDATE AT 8 2/3 YEARS**

My recent streak years have been low in miles. Between a pretty demanding full-time job and my part-time doctoral program at Syracuse University, I have not had time to register for a lot of races or do many long runs. I reunited with some high school track friends that I haven't seen in decades and we did a 5k in Newport, R.I. Was well worth the long trip from upstate New York even though the race was in the pouring rain.

The other race I did I half-jokingly say was probably one of the worst decisions of my life! I did the Mt. Washington Road Race in June. For those not familiar, Mt. Washington is the highest point on the east coast. The race up the mountain is advertised as "just one hill." I knew it would be challenging but almost instantly I knew I was underprepared and struggled. I played mind games with letters and animals and tried to count how many things I've done in life HARDER than the run. The list was not that long. By mile 7 and about 5,000 feet I was in tears but was determined to finish.

On a lighter note, I did some international travel so had to do a run in London Heathrow and Madrid airports to keep the streak alive. Four airports are now a part of my streak. Otherwise, it has been an uneventful year but I am looking forward to more running adventures in the years to come.

Laura Jack  
Hamilton, New York

## **BRIGITTE GANTER'S STREAK REACHES 3 YEARS**

Celebrated with a nice 4-mile run.

Brigitte Ganter  
Mountain View, California

## **DANIEL VIRTUE'S STREAK HITS 6 YEARS**

Reflection after six-years of running every day, 4.20.2014 – 4.20.2020

My first year of running every day was probably the most difficult, yet it was the year that I saw the most improvement in my marathon time. My time in 2014 was 3:29:47 the following year after running every day my time was 3:17:58, and the next year was my best time 3:15:22. I am fully aware compared to a lot of people these times might not seem impressive, but for somebody that started out running a 3:58:22 this was amazing progress.

I pushed myself hard in 2016 and ultimately felt that my ankle was getting injured, and I started running less and less, for the next three-years saw a drastic decline in my marathon times and in my running in general; 2017, 3:28:30; 2018, 3:40:34; and 2019, 3:28:10. In 2018 I was gaining weight and running slower and slower and my time demonstrated that, so I knew that I needed a change, and in the summer of 2019 I fully committed to that change. That summer I decided to stop going out to eat at all and to drink little to no alcohol (once a week). I ran 100 miles in a week that summer and had a month where I ran around 280 miles. I was feeling better and even though I wasn't running as fast I could before, I was just dominating the miles again.

At the end of September, I told my wife that I was done eating meat all together. The more I read and researched the topic; it just made sense that I should only be eating a plant-based diet, so I started to make the change. I started to see differences in my body almost immediately. I went from running only 1,040 miles in 2018 to ending 2019 with a total of 2,298.87 miles. 2019 became by far the most miles I have ever ran in a year. My second-best year is 1,730.77 in 2015 which as I explained before was also a significant year in my life. After I made the change to plant

based I started running faster again beating all of my previous Strava records. I ran 34 miles for my 34th birthday in December, and finally signed up for my first ultra 50-miler scheduled for June 2020. I am currently on pace to run 3,000 miles this year, which seems so impossible to even think about considering what I was running before, but now I can go out and run thirty-miles and still feel like I could keep going. I had hoped to PR this year, but first my local marathon was cancelled due to the coronavirus, and then they opened it up to a virtual marathon. I wasn't feeling that well on the day, but I decided to run it the morning of the original marathon anyway and go as fast I could. My elapsed time for that marathon was 3:17:25, not my fastest, but pretty close. Furthermore, my 2020 virtual marathon was first marathon I only drank water.

I don't know what my seventh-year of running has in store for me, but if the past six-years have taught me anything it is—never be afraid to make a change.

Daniel Virtue  
St. Louis, Missouri

## **EILEEN JOY ESPORO'S STREAK HITS 4 YEARS**

I got faster this past streak year. I can maintain a sub 2 half & my PR is still 4:23:52, which I set at Oakland Marathon 2019. I'm maintaining that speed & working on getting faster. For 2020 I've only been able to run 3 halves before they started cancelling races due to COVID. I still maintain my training.

I do my intervals & short tempo's outside & long runs or everything else on my treadmill. I'm keeping my training up just in case NYC Marathon & Sea Wheeze Half still go on. Plus, it's my main coping skill during this crisis.

Eileen Joy Esporo  
Gonzales, California

Bill Rodgers and John Myers

## **JOHN MYERS' STREAK HITS 8 YEARS**

I am humbly thrilled to be have recently celebrated 8 years of continuous days running on April 21, 2020. This is my second attempt at a long streak. The first one was curtailed after running 1,262 straight days when after running the Boston Marathon found myself in the hospital with extreme low blood pressure and potential kidney damage (doctors throwing out the 'dialysis' word got my attention.) After a week of no running and activity, I was given permission to start 'jogging' and to take it easy.

Like 99.44% of streak runners, my journey has been filled with lots of challenges; such as running sick, running injured, running in rainstorms, running in sub-zero weather, running in blizzards, running in 100 degree weather, running in snow thunder (probably the scariest run ever!), running with dogs chasing me, running and having to go to the bathroom (you know what I mean!), running at 2 or 3 in the morning before a plane trip, running in the airport, running around family and holiday schedules, and running around work schedules.

But despite those challenges we all face, it's a small price we pay for a majority of our runs

which are filled with joy. The joy of lacing up those running shoes and just getting on the roads, trails, and beaches. And a bonus to run in so many adventurous and new places. Yes, Dr. Seuss - - Oh, the places you'll go! (and the people you'll meet!)

Who knows about the future. It's one day at a time. Hopefully, the body hangs in there and the streak continues. If it has to stop, I'll stop. Then regroup, lace up the running shoes and get back at it. Thanks to all the other 'streakers' for your inspiration and stories. Keep 'em coming.

I have included a picture of me and Bill Rodgers. Bill has been gracious to join us at our local YMCA Apple Harvest Festival Road Race in Southington, CT. A true gentleman who has inspired so many of us over the decades. (BTW, our YMCA Apple Harvest Race this year is October 4, 2020. If you're in the area, drop on by.)

John Myers  
Westbrook, Connecticut

## **TOM BARRY'S STREAK HITS 23 YEARS**

No news is good news, no? I continue to run two to three miles a day, with the occasional four thrown in for laughs, plus walk nine to 18 holes of golf most days, before resting comfortably at night.

As age 70 approaches, I hope to continue on, if at the inevitably slower pace and with the usual fingers crossed. Most dogs in the neighborhood have adjusted their reactions to accommodate me, and for that I'm grateful.

It's motivating to know that so many others go out running every day, even when it's hard. Appreciate it!

Tom Barry  
Decatur, Georgia

Michael and Oli Misuraca

## **MICHAEL MISURACA JOINS SRI FROM CANADA**

I've run more or less continuously since joining a school running club in Vancouver, BC, Canada when I was 10 years old.

When my son was 1 year old and I turned 49, I decided to run every day for my 50<sup>th</sup> year of life.

The streak helped me feel better, be a better student (I was working on a Master's degree in environmental science) and, most importantly, be a better father and spouse.

Running every day was so beneficial that I just continued the streak.

Joining SRI seemed like a good way to help keep motivated to continue the streak and to contribute to the international community of

people dedicated to the inspiring (though slightly mad) pursuit of running every day.

Michael Misuraca  
Castlegar, British Columbia, Canada

Craig Whitfield

## **CRAIG WHITFIELD'S STREAK HITS 4 YEARS**

May 1st was my 4-year run streak anniversary.

Still going strong, with no plans to stop!

Craig Whitfield  
Bothell, Washington

## **VLADIMIR MOKHOV'S STREAK ENDS AFTER 428 DAYS**

I achieved one-year milestone and it stopped motivating me.

Vladimir Mokhov  
Omsk, Russia

Magnus Warvik

## MAGNUS WARVIK'S STREAK HITS 5 YEARS

Today (May 3rd 2020) I reached my five-year streak, and celebrated with my longest run in several months. After a problematic half year with a stress fracture in my left foot, where I considered breaking my streak, it seems I'm finally over it! Slowly increasing my mileage to get back into shape, but with the current status with all races being cancelled, I'm in no hurry.

Magnus Warvik  
Oslo, Norway

## CHRISTOPHER HANCOCK'S STREAK HITS 8 YEARS

Today marks EIGHT years since I began my consecutive day run streak. What started out as a goal of running every day for a week has turned into seven years - that's 96 months, 417 weeks or 2920 consecutive days that I have run at least one mile. Throughout this journey I've been fortunate enough to run in four different countries, six Canadian provinces and 10 US states with the coldest run being at -25c and the hottest at 44c.

During this run streak I've run marathons, half marathons, 10k's, 5k's, trail races, beer miles and an ultramarathon across the Grand Canyon. I've run with family, friends,

coworkers, Olympic athletes and strangers through all conditions imaginable.

There have been a lot of changes in my life the past eight years but one thing that has remained consistent is my daily run.

Christopher Hancock  
North Vancouver, British Columbia, Canada

Sarah Dahl

## SARAH DAHL JOINS USRSA

I actually hated running growing up, but somehow was talked into running a 1/2 Marathon in 2007. This would be the start of my running career. Since then I've completed over 70 races, including the NY Marathon in 2018. I've only kept track of mileage since 2012 and have managed to log more than 4,470 since then.

I've met so many wonderful people through running. These people have unknowingly pushed to better myself and continue to motivate me.

Starting my streak last year was the best decision I made in 2019 and I look forward to where my feet will take me in the future. I feel so lucky to be healthy enough to get up every day, lace up my shoes and head outdoors for my daily run. The sunsets and sunrises I have seen over the last year have been incredible.

Sarah Dahl  
Chandler, Arizona

Melody Diehl

### **MELODY DIEHL JOINS USRSA**

I began running in July 2013 after I graduated from undergrad for fun to train for a 5k mud run in October 2013 my friend wanted to do. After that race, I caught the running bug and ran a 15k, 2 half marathons, and a full marathon by November 2014.

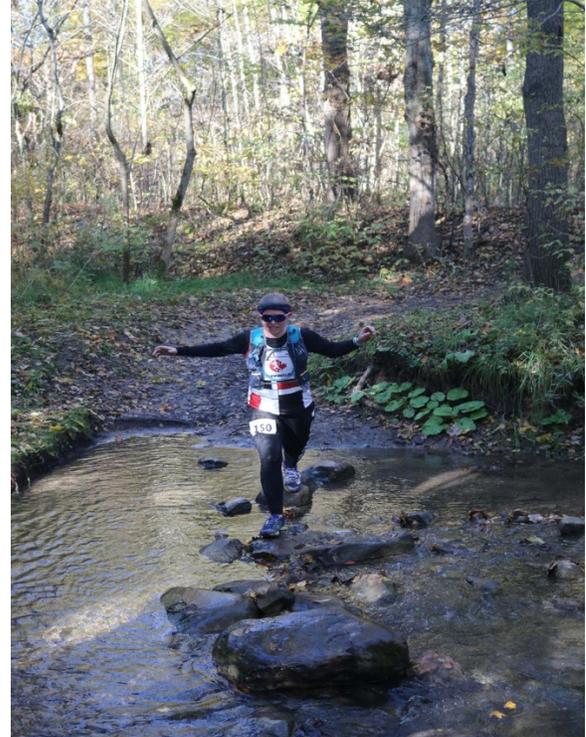

I became a Level 1 Certified Running Coach through USATF in December of 2019.

I am currently working on completing a marathon in all 50 states, and have completed 9 states, and one in the District of Columbia.

I have also found a huge love for the ultramarathon community and have completed (3) 50ks, (1) 100k, and (1) 100 miler with plans to complete many, many more in the future.

I am ultimately training to one day race Badwater 135, Tahoe 200, and the Moab 240, with all the marathons and other shorter ultra-distances included.

Melody Diehl  
High Springs, Florida

Jonel Boyko

### **JONEL BOYKO JOINS SRI FROM CANADA**

I originally began running to exercise a new puppy who had way too much energy for his own good. It turns out that I love running, but he hated it. Since then I have run everything from a 2km road race to an ultramarathon. I enjoy the camaraderie of races but also love the feeling of being out in a solo run, escaping from the pressures of the every day. Roads, trails, and treadmills are all fair game.

I run because it's the best part of my day, and because it helps me be the best version of myself.

Seeing everyone's run streaks are both humbling and awe inspiring. One day I hope to live up to at least part if the legacy that SRI members are adding to daily.

Jonel Boyko  
Selwyn, Ontario, Canada

Regis L'Abbate

## REGIS L'ABBATE JOINS SRI FROM BRAZIL

I'm very proud of being part of this select group of streak runners!

I'm 58 years old, and I run since 2010. I'm a doctor, breast surgeon, and work with breast cancer.

I'm married and have two kids.

As soon as I began running I was interested in long distances. I did my first Marathon in 2012 in Paris. Since then I ran the marathons of Berlin, Rio de Janeiro, Boston (three times!), Chicago, Disney, and Big Sur (I did the B2B Challenge last year).

I also love to do a lot of trail running, and we have such great mountain trails to explore near my hometown, Belo Horizonte. I have run a couple of ultra-trail races in Brazil, and for two times I did the El Cruce de Los Andes, a famous ultra-trail race in three days between the mountains in Chile and Argentina.

Last year, when I was coming back home after running the B2B Challenge, I bought a *RW Magazine* in San Francisco Airport. There was an article about the many reasons to do a running streak. I got inspired and began my streak on May 5th.

Now one year have passed, and it's been a pleasure so far. It represents my passion for running, and I'm not thinking about quitting soon...

Regis L'Abbate  
Belo Horizonte, Brazil

Regis L'Abbate

Kyrstin Clodfelter

### KYRSTIN CLODFELTER'S STREAK HITS 5 YEARS

I started this streak right before I started nursing school. There have been a lot of changes over the past 5 years but running has always been my constant. I finished school, became an RN, started working as an ICU nurse, got married, started working as a hospice nurse, got pregnant, and now we are waiting for our first child due in June of 2020.

There have been great runs (50k in the mountains of El Paso, 100-miler in the woods of Florida, hitting my BQ time at Space Coast Marathon) and not so great runs (post-toenail removal streak saver, missing my BQ time by 1 minute in Erie, PA) but I am thankful for every one of them.

Now I wait to see if my streak will continue through the birth of our child, or if I will be starting a new streak soon after he or she comes along!

Kyrstin Clodfelter  
Satellite Beach, Florida

Carolyn McKinney

### CAROLYN MCKINNEY'S STREAK HITS 4 YEARS

It started as 21 days to get myself back in the habit of running after missing a marathon due to my grandfather's funeral. Then it was maybe I could do 100 days, then a year. Then just always can I run today? Since Mother's Day of 2016, the answer has been yes!

It's now been 4 years. During that time, I have qualified and run Boston, finished my quest to run a marathon in all 50 states and ran my first 50 miler.

Carolyn McKinney  
Anderson, Indiana

### NANCY PETROSINO'S STREAK HITS 10 YEARS

I just completed my 10th year of running every day! Looking forward to year 11!

Nancy Petrosino  
Ontario, New York

## **MELODY DIEHL'S STREAK HITS 3 YEARS**

In the last year of my streak, I have completed 4 marathons and have continued my journey of completing a marathon in every state. I am now at 9 states and a completed marathon in the District of Columbia.

I have also developed a love for ultramarathons after traveling to Alaska for a marathon last August for my 29th birthday. I completed a 50k back in October 2019, a 100k on February 8, and competed in a Last One Standing Backyard Event, placing 6th with 100 miles (and, completing my first 100 miler sub-24 hour!).

With the COVID-19 pandemic setting in, as everybody else has experienced, my entire race season after Death at DuPuis (the last one standing backyard event) was cancelled.

Luckily, living in Florida, we didn't experience the severe restrictions of not being able to run outside, and I was able and still continue to run around my house while all the state parks closed, the trails closed, etc. This did not deter me from training and running, at all. Instead, my mileage increased, and I continued training and running the distances I was registered for.

I registered for and completed two virtual races in place of my cancelled events, one being the Bigfoot... The Social Distancing Champion Virtual Marathon on April 11th and the Aravaipa Strong Virtual 50k on April 18th.

While the upcoming races are unknown at this time, I plan on completing an unsupported 100k touring my city of Gainesville, both on pavement and on urban trails this Saturday, May 9th, in place of a 50-mile race I was registered for on the same day. I plan on registering for multiple marathons and ultramarathons once I know races are allowed to take place.

My ultimate dream is to race and complete Badwater 135, Tahoe 200, and the Moab 240, all the while running marathons in every state and eventually qualifying for the Boston Marathon. I am excited to see what happens to this great unknown and racing again one day with my fellow friends and runners.

It takes a village to "raise" me, and I wouldn't be where I am today without the help and support of my coach, Patrick Gallagher, and the strength training and massage therapy from my trainer, Thomas Kipp. To fun runs with my favorite "sufferbuddy" Robb, and the entire Gainesville running community, I am deeply indebted with gratitude for cultivating a deep love for running.

Melody Diehl  
High Springs, Florida

## **JOHN NELSON'S STREAK ENDS AFTER 866 DAYS DUE TO COVID-19**

My son, John D. Nelson, is a urologist in Kerrville, Texas and stopped his streak, with the last day ran on March 26, 2020. He stopped his streak due to CoVid-19 symptoms. John has started his 2nd streak and my son Grant is now #168 on the active list.

Good health!

Roger H. Nelson  
Colleyville, Texas

## **JOEL SUPLIDO'S STREAK ENDS AFTER 700 DAYS**

My streak ended due to Vertigo. It was bad this time around. Thank you for the challenge. I will be back.

Joel Suplido  
Dededo, Guam

## **JUSTIN STRAUSSER'S STREAK HITS 5 YEARS**

Hit the 5-year running anniversary while deployed aboard the Aircraft Carrier USS Dwight D Eisenhower. I started this streak when I was deploying years ago and have forgotten how terrible it is to run on a treadmill 7 days a week. On a positive note, the lack of alcohol and increased running discipline has shed some "dad bod" weight. Worst run so far on this deployment has been when the gyms were secured due to low water levels, and I had to run 3 miles in a hangar bay, running in a 30-foot line back in forth between parked aircraft. Everyone walking by gave me the "what is this idiot doing" look. If only they knew. On another positive note, I have convinced several colleagues to begin a streak and some are past 100 days and loving it!

Would like to thank my wife (who is also on a 2-and-a-half-year streak), who never questions when I say I have to still get a run in, even if the kids still haven't had dinner or there is laundry that needs to get folded. I couldn't have done this without your support. Miles of trials.

Justin Strausser  
Virginia Beach, Virginia

## **BRIAN FUNK'S STREAK HITS 5 YEARS**

By the standards of most people, 5 years of running every day is pretty crazy but I'm barely "proficient" with this group. This craziness started for me in 2013 when I did a "Summer Streak," running the 99 days between Memorial Day and Labor Day. For some reason I quit and immediately regretted the decision.

In 2014, my wife and I started again on Memorial Day but I was interrupted by a really long work day after a couple of weeks and again stopped. Lame.

Finally, on the third try, I started on the day after my birthday in 2015 and haven't looked back. Getting older usually means a less exciting birthday but not for me. Each year, I'm able to wake up and celebrate another trip around the sun and another year of streaking. Not a bad way to celebrate.

During the streak, I've averaged better than 4 miles per day with a one-day max of 58.7 and my share of "One Mile of Zen" days to keep the streak and clear my head for 9-10 minutes. It's been awesome to run in dozens of beautiful cities around North America, from the streets of Boston, the NYC Marathon and the National Mall at sunrise on the East Coast to the hills of Portland, the peak behind the Hollywood sign and beaches of the Baja peninsula on the West Coast. But my favorite runs are out my front door, often with my stalker wife Jennifer, in my Minneapolis neighborhood where I ran every street during the quarantine.

While nothing is normal right now, keeping the streak intact and having that time each day has been invaluable. I'm sure it's the same for many other streakers right now. Stay healthy, stay safe and keep going! –

Brian Funk  
Minneapolis, Minnesota

## **ADEYINKA SHORUNGBE REGISTERS STREAK FROM NIGERIA**

I've been a runner for over 6 years doing cardio to keep fit and stay healthy. In February this year, I came across an article on running streak. I immediately knew SRI was for me. So since 12th Feb, 2020 I've been running streak. My RSD 100 is coming up 21st May. Happy to be here.

Adeyinka Shorungbe  
Lagos, Nigeria

Meredith Williams with Luna

## **MEREDITH WILLIAMS JOINS USRSA**

My name is Meredith Williams and I live in Plano, TX. I am happily married to the love of my life, and we have 4 wonderful children, 2 beautiful grandchildren, and two awesome dog children.

I have been running most of my adult life. While I have had a few injuries along the way, I always come back to running because I love it so much.

My running accomplishments are 4 half marathons, many 5k's and 10k's, and I am currently doing my first running streak that I began on May 5, 2020.

My youngest Australian Shepard, Luna, is my running buddy. Running a full marathon is on my bucket list, so we will see what the future holds. I am excited to be a part of the United States Running Streak Association!

Meredith Williams  
Plano, Texas

## **LESLIE SHOOP'S STREAK HITS 40 YEARS**

The good news is my running streak has reached 40 years starting on April 28, 1980. The bad news is I'm forty years older. In 1980 I was a young man. In 2020 not so young, but still putting one foot in front of another for at least one mile. My at times 6-minute miles have turned into 11-minute miles. Time is an equalizer. I will keep on doing this until I can't and hopefully that day will be quite a few years down the road.

Leslie Shoop  
Sarver, Pennsylvania

## **TOM ALLEN'S STREAK HITS 32 YEARS**

I drove up to Saddle River Park and ran 16 miles, a half mile for each year of the streak. Not up to running 32 miles right now, or even 32 km (20 miles, I could do that but don't want to).

78108.5 streak miles, 6.68 miles per day average, 46.78 miles per week average over that time. But a lot slower now.

Tom Allen  
Upper Montclair, New Jersey

## **KEILEIGH YEEND'S STREAK ENDS AFTER 817 DAYS**

While it was going well, my life has changed drastically. My streak carried me through what I needed it to at the time. However, my intentions for running changed and I needed to take a break to decide what running means to me.

Keileigh Yeend  
Laramie, Wyoming

Scott Johnson-Yasufuku

### **SCOTT JOHNSON- YASUFUKU'S STREAK HITS 4 YEARS**

I've run at least a mile Outside every day for 4 years now. In New England, sometimes that means miles on sheets of ice or through a couple feet of snow. I've also run my first 4 ultramarathons during this time.

When I realized that on days when I ran I was far less anxious and more confident, I thought, "why not feel better every day?" And approaching my 5th decade of life, looking for meaning and alignment with my personal truth, I made several changes within that year. I've run every day since, followed a vegan diet and lifestyle, started working as an RN, and started driving an electric car charged with solar power.

I love being outside, whether it's running on trails or connecting with the birds as they sing each morning in my neighborhood. There have also been a couple times where it's 10pm, I've had a few drinks, and realize I haven't gotten my run in yet, and those are fun and interesting in their own way, even the time I tripped on the curb and fell face-first on the pavement. I continued on to run 6 miles that night, a bit of blood drying on my face.

I also love racing, and ran my first sub-20 minute 5k in 2018. Although I don't know any other streakers, I love the running community. Everyone has a great story.

In the photo, I stopped at a pub for a beer 35 miles into a 50-mile run last year. Six days earlier, I was in the ER for the first time, getting IV fluids after a Lyme disease exacerbation. Ten miles earlier, I ate 3 of the best tacos ever- tacos are amazing before, during, or after a run!

Scott Johnson-Yasufuku  
Springfield, Massachusetts

### **VICTOR DELLA TORRE'S STREAK HITS 9 YEARS**

I did turn my ankle about two weeks ago. I was running with discomfort for a couple weeks. I was strongly considered ending steak. My foot did not swell up. I was even questioning why I doing this to myself. Will I have long term damage? I would applied ice and heat at night to my ankle. My wife would message it for me. My ankle 100% now.

I did not get Virus. I did run with the flu a few years ago but otherwise staying healthy. The last week I have been wearing a bandanna instead of mask. Weather has been great really makes run more enjoyable. Now another 365 days it will be 10 years! Never imaged I would make it this far.

Victor Della Torre  
River Edge, New Jersey

### **TIM BAILEY'S STREAK HITS 33 YEARS**

STILL going. Going to do 9-miler today [16 May 2020]. On my way to my 3rd highest mileage year ever if things go as planned.

Tim Bailey  
Owningsville, Kentucky

Doug Dixon (Boston Marathon cape)

### **DOUG DIXON'S STREAK HITS 16 YEARS**

Today [23 May 2020] I am celebrating 16 years of continuous running. I will celebrate with a leisurely run past the white water and through the rolling hills and trails of Haliburton county where I will view more deer and other wildlife than cars. Life is good. And I will spend the rest of the day enjoying lake life with my 2 Grandsons.

My streak started on May 23, 2004, the day my best friend was diagnosed with a brain tumor. I told him I would continue to run each day until he recovered. Unfortunately, he died 45 days later. My pledge to him is a lifelong pledge. He lives on with me in every stride.

In the past year I have run three marathons including the Boston Marathon on April 15, 2019. The spirit of Boston and that Holy Grail of Marathons never ceases to amaze me. The volunteers who do so much for all of us running, and the crowd support pushing and pulling us forward is inspiring. Running that last Gauntlet of Love down Boylston Street is an emotional nirvana. It was my fourth consecutive Boston and I finished with a Boston PR, which I am so proud of.

I patiently wait for the 2020 Boston marathon which was postponed from April to September due to the current pandemic.

I clocked in over 3600 miles during the year and ran some other half marathon and 10k races.

Life teaches us purpose and dedication and a will to accomplish anything in life if we so choose.

Doug Dixon  
Minden, Ontario, Canada

Patty Veikley

### **PATTY VEIKLEY'S STREAK HITS 2 YEARS**

I never, in a million years, thought I'd have a running streak! But 2 years and still going strong. It has gotten so much easier to get in at least a mile every day, even when traveling it's the first thing I do in the morning! Now on to comma day and then Forrest Gump day and beyond!!

Patty Veikley  
Inver Grove Heights, Minnesota

## **BRIAN CASEY'S STREAK HITS 43 YEARS**

Just reporting in from here in North Jersey. My running streak is alive and well at 43 years (May 9th).

To say that the last 50 days have been "different" is a vast understatement. Covid-19 has hit the Metro NY-NJ area extremely hard. I have lost neighbors, fellow Coaches and friends to the Pandemic. We have had the National Guard in my Town of Paramus since March 23rd. at the Veterans Home. Gyms, Malls, Restaurants - all closed. My Office in NYC has been shut for 2 Months.

During this time of uncertainty, the one constant I have relied on have been my daily runs. For those 40 minutes early each morning - things go back to normal - things seem OK. I cherish each mile more than ever.

Huge thank you to all our First Responders and Health Care Workers on the front line.

Brian Casey  
Paramus, New Jersey

## **ROBERT GEARY'S STREAK HITS 6 YEARS**

Six years ago, my streak started as a 40-day challenge: run at least one mile, outside every day from Memorial Day through July 4th. The streak extended through Labor Day and then through New Year's.

I started stretching distances and began running ultras, I joined a tri-group and dusted off my bike. Then I joined a newly formed trail running group (CT Trailmixers) and met some great people and incredible runners, all the while running every day.

Living in Connecticut some winters are tougher than others. There have definitely been days where running outside seemed

silly but I did it anyway...lots of gear, micro spikes, foam snow shoes, waterproof socks, etc.

So, six years in, three Ironmans, fifteen ultras, countless marathons, halves and some 6,500 miles later, I'm still out there every morning (ok, I sleep in occasionally and loop a mile or so before supper).

I know there are plenty of people who have been doing this much longer than I have, but this is for me, my selfish endeavor...one day I'll delve deeper into that aspect, but for now it's just about hearing/feeling my watch buzz with every first mile, knowing another run is in the books.

Robert Geary  
Fairfield, Connecticut

## **DEBBIE & KEVEN DECKER'S STREAKS HIT 6 YEARS**

My wife, Debbie Decker, and I celebrated our 6-year anniversary as streak runners! Over the course of time we have run in over 40 some odd states, countless cities, several countries and every climate imaginable! What a great journey and looking forward to many more years!

Kevin Decker  
Clear Lake, Minnesota

## **TOM WATKINS' STREAK HITS 11 YEARS**

Another year gone by with nothing major to report. I discovered Altra running shoes, and they have made things much more comfortable for my duck feet. My 16/8 fasting streak is almost 3 years, and I'm convinced that the combination of daily running and fasting leads to an illness free life. That streak is 6 years.

Tom Watkins  
Virginia Beach, Virginia

Mitch Passero

## MITCH PASSERO JOINS USRSA

I got into running a bit late, at age 47 in 2017. I was taking some time off from weightlifting to let a nagging shoulder injury heal, and took up running to keep active. Also, I needed to lose some weight. Now, I haven't looked back.

I never envisioned calling myself a "runner," let alone a marathon runner, but I ran the NYC Marathon in 2017, 2018 and 2019. I'm signed up for the 2020 edition and really want to run it, as I turn 50 this year and it's the 50th anniversary of the NYC Marathon. But, it doesn't look like the race will happen. We'll see.

I started a run streak last May after reading about it in *Runner's World Magazine*. I'm not fast, or winning any races, but I thought this

was a fun challenge that was doable. Who knows how long I can keep the streak going, but I plan to keep running forever. It's a great feeling to get in some exercise in the outdoors. I'm lucky to live in a nice area with a mix of hills and great scenery. No gym membership required.

Mitch Passero  
Stamford, Connecticut

Nathaniel Morgan

## NATHANIEL MORGAN'S STREAK HITS 2 YEARS

I am beginning year two of my run streak which I will continue to run as long as I am able. I ran my first Marathon last October 2019. I thought about ending my run streak while starting my training. I am so happy I spoke with fellow streakers who gave me advice how to train for a marathon and still streak. My pace has become faster and my stamina is great. I love running every day.

Nathaniel Morgan  
Clinton Township, Michigan

If you can fill the unforgiving minute  
With sixty seconds' worth of distance run,  
Yours is the Earth and everything that's in it,  
And---which is more---you'll be a Man, my son!

- Rudyard Kipling (1865-1936) from his poem *If*.

# THE FINISH LINE

## By: Mark Washburne

This year, 2020, marks the centennial of the passage of the 19th amendment granting women the right to vote in the United States of America. In order to mark this historical milestone for women, Streak Runners International (SRI) wanted to do something special to celebrate all the amazing women in our association. In that regard, we added this quarter an active and retired women's list to our website. As we are all about equality, we also added an active and retired men's list too. I would like to thank our web designer, Loren Long, for her help in adding these lists to our website.

Our celebration of women continues in this summer issue of *TSR* with our cover story on Lois Bastien, who has the longest female running streak in the world. This quarter was the ideal time to interview Ms. Bastien for our cover as she celebrated a big milestone in the middle of April when her running streak reached 40 years. If you check out the STATISTICS page on our association's webpage, you will see that Ms. Bastien's name appears as the leader under three different categories: Woman with the longest streak RETIRED or ACTIVE; Woman with the longest ACTIVE streak; and Oldest Woman with an Active Streak. Ms. Bastien, 83, whose streak started on 18 April 1980, is also the ideal candidate to represent our world-wide running streak association. While the retired great-grandmother now lives in Pinellas Park, Florida, USA, she was born and spent most of her adult life in Ottawa, Canada.

Speaking of outstanding women athletes, the person who interviewed Ms. Bastien for the *TSR* article was my wife, Diane Washburne. Diane celebrated her own milestone this quarter by returning to the active list after her new streak, started 2 May 2019, reached a year earlier this month. Diane's first streak (21 March 2013 – 11 December 2018) lasted 5.73 years (2,092 days) but ended due to a torn Achilles injury at the end of 2018. Diane became the 199<sup>th</sup> athlete to have two or more streaks listed on our website. Yes, we keep track of "Number of people with multiple running streaks" on our STATISTICS page that surpassed the 200 milestone this quarter.

While we try to keep it positive in our quarterly newsletter, I would be remiss not to mention the coronavirus pandemic that has impacted all of us throughout the world. In reviewing the submissions of people who retired their streaks lately, I found only one athlete whose streak ended due to Covid-19. John Nelson, 34, a urologist from Kerrville, Texas, USA, stopped his streak on 26 March 2020 after 866 days. We are grateful to his father, Roger Nelson, a lifetime member of our association, for notifying us on the ending of the streak and wish Dr. Nelson a speedy recovery.

While not directly coronavirus related, we were still sad to see the ending of the long time running (and money finding) streak by Craig Davidson, 66, a coach from Phoenix, Arizona. Coach Davidson ended his streak on 7 April 2020 after 41.42 years (15,130 days) and after being hospitalized with C Diff, a bacterial infection. Coach Davidson, who previously had the 22<sup>nd</sup> longest active streak in the world and now has the 8<sup>th</sup> longest retired streak in the world, also had a "money finding streak" that began on 4 April 1983 and netted him over \$10,170 over his running career. Not surprising, the Phoenix coach has started a new running and money finding streak and ensures us that he will "be back on the list on April 12 of 2021!" We wish him well.

It also appears that the running streak of Steve DeBoer, #3 on our world active list and a regular correspondent of this newsletter, came very close to ending this quarter too. Mr. DeBoer, whose streak started 7 June 1971, was in Washington State celebrating Jim Person's 50<sup>th</sup> running streak anniversary (see the Spring 2020 *TSR*) when he was hospitalized for seven days for pneumonia and fluid in both lungs. The Minnesota runner was able to save his streak by "jogging back and forth around [his] bed for 20 minutes to be certain [he] had gone at least one mile." Wow! I hope Steve has a speedy recovery and I look forward to running the Boston Marathon with him whenever it is safe enough for racing to return to that city.

As always, I want to wish everyone good luck as we each run the roads and trails – every day!

## SHOP SRI/USRSA ATHELETIC APPAREL!

---

#### ADVERTISING RATES

Per issue:

Business Card (3 1/2 x 2")	\$25.00
Quarter-Page (3 1/2 x 5")	\$40.00
Half-Page (7 x 5 or 5 x 7")	\$75.00
Whole Page (7 x 10")	\$135.00

Send all camera-ready advertisements to the editor, or e-mail at USRSA@yahoo.com.

Advertisements should deal with running or affiliated health-related topics.

#### MEMBERSHIP—DUES

Membership in Streak Runners International and the United States Running Streak Association, Inc. is open to all interested individuals.

SRI/USRSA dues are \$20.00 annually or \$250.00 lifetime. Credit for one-half of all previously paid dues will be applied to the payment of lifetime dues. Once lifetime membership status is achieved, no further dues will be assessed.

A completely filled out and signed membership application must accompany the dues payment. Applications may be downloaded from our website at [www.runeveryday.com](http://www.runeveryday.com), or will be mailed upon request.

---

#### STREAK CERTIFICATION

Once a running streak reaches a year in duration it is eligible for listing by SRI/USRSA. Listing of one's active or retired running streak requires a fully completed and signed streak certification form, which may also be downloaded from the SRI/USRSA site or mailed upon request. Although membership is not a requirement for listing, the SRI/USRSA appreciates all contributions to its cause.
